PADRE PAUL'S PONDERINGS

Welcoming Fr. Gary Wisemann

Each year, several missionary speakers will visit Saint Joseph's to talk about their work in areas of the world that have particular need. Thinking outside of our own parish is certainly nothing new to our parish; as we have a garden that provides food for the needy, an annual mission trip for youth to help those in need, and a number of parishioners who are involved in prison ministry and an annual trip to Haiti. Saint Joseph's has a true spirit of reaching out to people in need all over.

This week, visiting our parish as part of a mission appeal is Fr. Gary Wisemann, who services the diocese of Mandeville in Jamaica. He serves in one of the most impoverished communities in Jamaica. He is coming to our parish as part of the Missionary Cooperation Plan, where missionaries visit parishes throughout our archdiocese.

In my space this week I'd like to share a letter from Fr. Gary explaining his work to serve the people that goes into detail about the need in Jamaica and how we can help. Thank you so much for your generosity and welcoming Fr. Gary.

I'll be presiding Masses at Saint Francis of Assisi parish, at Lake Saint Croix Beach as their pastor is ill, and Fr. Gary will be celebrating our weekend Masses.

Have a blessed week! - Fr. Paul

***

When we think of Jamaica, the thoughts of Ocho Rios, beautiful beaches and wonderful scenery come to mind—all of which are part of the island. A year before becoming a priest of the Diocese of Mandeville, I spent 5 days with our founding bishop touring the diocese—and, I saw a very different side of Jamaica!

Bishop Paul Boyle said to me: "We have dire poverty. It's something the tourists don't see, nor do the television ads feature. Our people are poor. Jamaica is one of the poorest nations in the hemisphere after Haiti, and our diocese is the poorest part of Jamaica."

In the Diocese of Mandeville, there are about six hundred thousand people. Sixty eight percent have no running water; only, outside latrines. Families are using "primitive methods" of disposing human waste—they go into the bushes. People need basic necessities of life: food, clothing, shoes to wear, mattresses—many need a home. The average annual income in Jamaica is US$1,500.00—a little less than $29.00 per week. Many workers don't receive even this wage. Among people' aged 15 to 19, 25% are "functionally illiterate." Many of those who are functionally literate have severe reading problems. Seventy-five percent of students who take standardized testing cannot pass even one subject. There is an alarming number of destitute elderly and abandoned/neglected/abused children and adolescents. People are dying every day from diseases, which no longer exist in the United States because we have adequate medical care.
BOTTOM LINE: *the Diocese of Mandeville is very, very poor!*

Bishop Boyle shared with me SOME of his needs so he can serve his beloved people:
1) ***Housing for the Poor****—since some people are completely homeless and many live in shacks of zinc with dirt floors, the bishop tries to build houses for the poor. The houses are 14X20 feet, without electricity or running water; but each home is a "castle" to a family used to sleeping on the ground. The cost of each house is $3,000.00.*
2) ***Care for the Elderly and Abandoned****—many elderly are destitute and abandoned. The Diocese of Mandeville has a home for 75 elderly who are cared for by Mother Teresa's Sister. More homes are needed. The diocese cares for over 100 dependent, neglected and abused youth in our orphanage. More homes are needed for the kids also.*
3) ***Education****—Sixteen basic schools have been established, most for young children; there are also 2 high schools—one of which opened 2 years ago! The church has always believed in the power of education to break the cycle of poverty. A small catholic college, The College of Mandeville provides a college education.*
4) ***Food****—Many families are hungry, or even starving. The parishes provide as much food as possible for the hungry.*
5) ***Parish Ministries****—In most cases, monthly parish collections represent less than 10% of the monthly parish operating expense. One priest I met slept on the floor in the sacristy! Some parishes don't have phone. People walk for miles to go to church. We beg for 90% of the operating costs of parishes and parish ministries to Evangelize and catechize our people.*
6) We are blessed to be able to provide ***clinics*** *in areas of the diocese where people can't get medical attention—something developed nations take for granted.*

All too often, the tropical weather and storms in the Caribbean wreak havoc in the lives of our poor and to our ministries. The cost is enormous to recover from these storms and replace roofs, restore classrooms, clean up from water damage in our buildings, and, replace vestments and liturgical books that were ruined. Also, we work to help families rebuild hundreds of humble homes lost in the storms.

Obviously, we need enormous support for our local church. Please help us as we bring the Gospel, in our Catholic tradition, to our beloved people and help them to experience dignity as children of God. Thank you for welcoming the Diocese of Maneville for you annual mission appeal.

SACRAMENTS

Friday, May 3
Eucharistic Adoration will begin at **11:00am** following May Crowning at 9:15 am.
Benediction will be completed by **5:00 pm.**

Eucharistic Prayers

If, after an initial period of silent adoration, you feel the desire to pray, or read, or write, or sing, then you simply allow yourself to move naturally into whatever activity you feel led to do at each moment. Reading Scriptures, pamphlets, or books is always appropriate, and many people also like to pray the Rosary or make the Stations of the Cross. Traditional prayers in preparation for Holy Mass or in thanksgiving after Mass can also be very fruitful, particularly when they are addressed directly to Christ in the Eucharist. There are also several prayers from the Diary of Saint Faustina that are especially suitable during Eucharistic adoration (see the O Blessed Host, Have Mercy on Us! Booklet, OBH; and The Divine Mercy Message and Devotion booklet, M17): The Chaplet of Divine Mercy (Diary; 1570); Saint Faustina's Praises of The Divine Mercy (Diary, 948-949); At the Feet of Christ in the Eucharist (Diary, 80, 81. 1692, 1708); For the Conversion of Sinners (Diary, 1397, 186, 187); For Divine Mercy (Diary, 1570); The Chaplet of Divine Mercy holds a special place of honor as a Eucharistic prayer because it is a continuation of the offering of the Mass. And the simple prayer "Jesus Mercy!" is a continuation of the chaplet- a plea for God's mercy for every moment of need.
